## INDEPENDENT ACCOUNTANTS' REVIEW REPORT

To the Board of Directors  
Appendix Cancer/Pseudomyxoma Peritonei Research Foundation, Inc. (or ACPMP)  
Washington, DC

We have reviewed the accompanying statements of Appendix Cancer/Pseudomyxoma Peritonei Research Foundation, Inc. (or ACPMP) (a non-profit corporation) which comprise the statements of assets, liabilities, and net assets – modified cash basis as of December 31, 2020 and 2019, and the related statements support, revenue and expenses – modified cash basis, statements of functional expense – modified cash basis for the years then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of company management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting; this includes determining that the modified cash basis is an acceptable basis for the preparation of financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

### *Accountants' Responsibility*

Our responsibility is to conduct the review engagements in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with the modified cash basis of accounting. We believe that the results of our procedures provide a reasonable basis for our conclusion.

### *Accountants' Conclusion*

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with the modified cash basis of accounting.

### *Basis of Accounting*

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared in accordance with the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our conclusion is not modified with respect to this matter.

**APPENDIX CANCER/PSEUDOMYXOMA PERITONEI RESEARCH FOUNDATION, INC.  
(OR ACPMP)**

**Notes to Financial Statements**

---

**NOTE 1 – NATURE OF ACTIVITIES**

The Foundation was established in 2008 to fund promising research to find a cure for Pseudomyxoma Peritonei (PMP), Appendix Cancer and related Peritoneal Surface Malignancies (PSM) and to fund educational programs for physicians and their patients about these diseases. The organization also supports the appendix cancer, PMP and PSM community as a resource for information about managing the disease. The Foundation is supported through donations and proceeds of fundraising events, such as walks.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***Basis of Accounting***

The accompanying financial statements have been prepared on the modified cash basis of accounting which differs from generally accepted accounting principles in that revenue and support are recognized when received and expenditures when paid. Certain contributed goods and services which may require recognition under generally accepted accounting principles are not recorded in these modified cash basis statements. Under generally accepted accounting principles, the contribution of services is recognized if the services received (a) create or enhance nonfinancial assets or (b) require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation.

Presentation and disclosures have been changed or expanded to comply with recently issued standards.

***Use of Estimates***

The preparation of financial statements on the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from these estimates.

***Contributions***

Contributions received are recorded when received. None of the contributions received were subject to any donor restrictions.

The Foundation receives services from a number of volunteers who give significant amounts of their time to the Foundation's programs, fundraising, and management. No amounts have been reflected for these types of donated services. In addition significant accounting and administrative services are provided pro-bono, but amounts have not been quantified.

See independent accountants' review report.

(OR ACPMP)**

**Notes to Financial Statements**

---

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued)**

*Cash and Cash Equivalents*

The Foundation considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents. At December 31, 2020 and 2019 cash is comprised of demand deposits, including a money market account and cash held in an investment account, all held at the same financial institution. During the year, the Foundation's cash has exceeded insured limits (by approximately \$507,000 and \$409,000 at December 31, 2020 and 2019, respectively.)

*Advertising Costs*

Costs incurred for advertising includes promotional materials and merchandise; these costs are expensed when incurred.

*Allocation of Functional Expenses*

The costs of providing the Foundation's programs and other activities have been summarized on a functional basis. Accordingly certain costs have been allocated among the programs and supporting services benefited. These expenses require allocation on a basis that is consistently applied. The expenses that are allocated include compensation and related payroll taxes which are allocated based on estimates of time and effort taking into consideration job description and responsibilities. Rent is divided evenly between employee functions and management. Certain IT and website costs are allocated based on the portion of the website devoted to each function. Insurance covers both the organization as a whole and events and is therefore divided evenly between those functions.

*Income Taxes*

The Foundation is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation, and as such, contributions to the Foundation qualify for deduction as charitable contributions. However, income generated from activities unrelated to the Foundation's exempt purpose is subject to tax under Section 511 of the Code.

There were no uncertain tax positions recorded in the financial statements at December 31, 2020 or 2019. The Foundation's Form 990s from 2017 through this year end are subject to examination by the IRS, generally for three years after they were filed.

See independent accountants' review report.

**APPENDIX CANCER/PSEUDOMYXOMA PERITONEI RESEARCH FOUNDATION, INC.  
(OR ACPMP)**

**Notes to Financial Statements**

---

**NOTE 3 – GRANTS**

*Research*

The Foundation awards research grants through the National Organization for Rare Disorders (NORD), and subsequent administration/distribution is also monitored by NORD. The Board approved and funded two grants of \$50,000 in 2019 and two grants of \$50,000 in 2020 which are distributed and monitored by NORD over 2 years. An additional \$20,000 grant was awarded in 2020 and paid directly to a previous grant recipient.

*Educational/Scholarship*

The Foundation also awards scholarships to enable physicians to attend symposiums to increase their knowledge about these diseases. For 2019 the Foundation provided 4 scholarships for attendance at the Society for Surgical Oncology Regional Therapies Conference (now called Advanced Cancer Therapies), with an additional 10 for their February 2020 conference. For 2020 scholarships were awarded to 10 attendees. Scholarship costs are included in symposium expense.

**NOTE 4 – RELATED PARTY TRANSACTIONS**

The Foundation is primarily a volunteer organization. The members of the Board of Directors perform administration, management and fundraising activities for the organization. Other Board members have directly paid expenses on behalf of the organization. Board members do not seek reimbursement in these circumstances. Board members and their relatives may make contributions to the Foundation as well.

The Foundation officially is a member of NORD. During 2020 the Foundation paid NORD \$300 in dues (\$300 in 2019), and \$9,500 in grant administration fees (\$9,500 in 2019). Additionally in 2019, the Foundation paid \$5,000 as an initial installment on the development of a patient registry using their platform and \$649 for attendance at their annual summit.

**NOTE 5 – CONCENTRATIONS**

A substantial amount of the Foundation's revenue is generated from fundraising events. Various different fundraising events are held around the country and Canada. Two of these events accounted for 60% of event contributions in 2019. Due to COVID-19, 2020 events were primarily virtual. In 2020 two events accounted for over 90% of event revenue.

See independent accountants' review report.

**APPENDIX CANCER/PSEUDOMYXOMA PERITONEI RESEARCH FOUNDATION, INC.  
(OR ACPMP)**

**Notes to Financial Statements**

---

**NOTE 6 – LEASE COMMITMENT**

The Foundation maintains a mailing address in DC and was committed for office space in Boston at \$731 per month thru January 2021. Subsequently all functions were performed remotely.

**NOTE 7 – LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS**

Cash reported on the statement of assets, liabilities and net assets is available to meet cash needs for general expenditures within one year. There are no contractual or donor-imposed restrictions. Currently the Foundation maintains all financial assets in highly liquid cash accounts. Some of this cash is currently held in a brokerage account, and the Foundation plans at some time in the future to establish an investment policy, investing funds in excess of those needed to meet annual expenditures.

**NOTE 8 - SUBSEQUENT EVENTS**

***Evaluation***

The Foundation has evaluated subsequent events through May 18, 2021, the date which the financial statements were available to be issued.

***Grants to be Awarded***

The Foundation issues requests for proposals in the first part of the each year. Applications are submitted by researchers during the year. After year end, NORD reviews the applications and awards the grants in amounts approved by the Board. The Board has approved two \$50,000 grants that will be awarded during 2021; the NORD Advisory Board is still in the review process to determine awardees.

***Impact of COVID-19***

The COVID-19 outbreak in the United States caused disruption of business, financial and personal activities through mandated shelter-in-place and social distancing orders during 2020 and into 2021. Although the Foundation did not experience a negative impact on fundraising and contributions in general during 2020, COVID-19 continues to be a concern and will likely continue to impact the types of events and programs sponsored by the Foundation. Although the Center for Disease Control has recently eased restrictions, the financial impact for 2021 is impossible to estimate.

See independent accountants' review report.
