

SPONSORSHIP OPPORTUNITIES

For the 19th Annual Appendix Cancer Global Walk

*Walking Towards a Cure for
Appendix Cancer*

June 7 - June 15, 2025

INTRODUCTION

Each year, the [Appendix Cancer PMP Research Foundation](#) hosts the Annual Appendix Cancer Global Walk, bringing appendix cancer patients, caregivers, family members, healthcare professionals, and advocates together from across the country (and beyond) to make a meaningful impact on appendix cancer research, advocacy, and hope.

This year, we are introducing new Regional Walk Events—larger, in-person gatherings in various communities—while still enabling individuals and teams to walk wherever they are. Your sponsorship will help us reach even more people and continue fueling vital research and support programs.

In this sponsorship packet, you'll find opportunities to partner with us during the 19th Annual Appendix Cancer Global Walk. Your sponsorship not only helps fund critical research, education, and essential patient resources, but also connects your brand with a passionate community committed to making a difference. We invite you to join us in our mission to improve outcomes for those impacted by this rare cancer.
